8 person teams in either a 1500 lb weight class or an unlimited weight class

Rules

1. Distance of a pull is 4 meters (around 13-14 feet).
2. 8 person teams to pull in either of the categories of 1500 lb weight limit or over 1500 with no weight limit.
3. No cleats allowed (NO Football or Baseball shoes) You are allowed to wear either a work boot with a heel or tennis shoe.
4. Gloves are allowed, but may be a disadvantage.
5. No sitting on the ground - the only part of the body to be touching the ground is your feet.
6. Anchor man can wrap the rope around themselves anyway they desire
7. Free substitution - as long as the team weight does not go over the weight limit for their class they are allowed one substitute that can be changed in between matches.
8. Pullers are allowed to pull for more than one team. For example: a male team may have 3 females interested and can enter a separate co-ed team.
9. Teams will have one pull against each of the other teams in their category. If in the case of more than 8 teams register the tournament will be run as a double elimination.
